Durango Custom DC-3

Built to rock! The unique looks and sound of the the DC-3 make it the perfect Axe for the rock oriented player. Based on the same construction as the DC-2, the DC-3 has a sen Ash top with a unique "Black Streak" finish: a very thin layer of silver finish which emphasizes the beautiful Ashwood structure. The VSC-3 plays an important role wether you need to "fatten" the sound with some midrange boost or to give it some low end grunge with the Bass-Treble position.

Highlights:

- 20mm Silver Finished Sen Ash Top
- Nitrocellulose lacquer
- TOB-16 Bridge
- VSC-3
- LHN-6 Pickups
- Custom 5 Position inside/outside coil switch.
- Set-Neck Construction
