**Screamin' Demon** – Rules are made to be broken and the **Blade® California Climax** breaks them all - a hand-rubbed oil finish on North American alder and a hard tail bridge that holds a screaming LH-4 humbucker and enhances both attack and sustain. Two VS -1 single coils deliver Texas Style blues to cutting bell-like highs, while the VSC-3 adds a broad dimension of tonal versatility. It's light, comfortable and sounds devastatingly good – a screamin' demon in all respects.
